

Application for election as a Pedigree Breeder Trustee

Name

HDL

Prefix

Address

.....

.....

Essential Capabilities/Experience:

- Demonstrable knowledge and experience of operating at board Trustee level or equivalent
- Knowledge and understanding of corporate and Charity governance
- Experience of Pedigree Pig Breeding
- Excellent Communication Skills

Desired Capabilities/Experience:

- Experience of working within a livestock/animal charity
- Experience of working with Animal/Livestock Conservation

Important. Please read this application form alongside the job description for the BPA Pedigree Breeder Trustee Role published on the website for a full description of the requirements for this role.

To apply for this position please supply the following:

- a CV of no more than two sides of A4 with professional qualifications and employment history.
- a supporting statement of not more than 1000 words giving evidence of the strength and depth of your ability to meet the essential criteria for this role. Provide specific examples to demonstrate how you meet the criteria.

Applications will close on July 29th and all applications will be reviewed by an independent nominations committee appointed by the Board. This nomination committee will score the information provided by the applicants against the requirements of the job description. This is a completely anonymous process carried out by an independent panel. Applicants will also be required to have a current clean DBS check and satisfy our 'fit and proper' checks undertaken by Experian on behalf of BPA.

If there are more candidates than places available an election will be held in early September so that the results can be confirmed ahead of the Annual General Meeting in October. Successful candidates will serve a three-year term.
