

BPA Annual General Meeting – 30th September 2025

Agenda Item 6

To Appoint Accountants for the Financial Year 31st December 2025

The BPA has been reviewing our external accounting services for several years, in order to make a seamless change there have been some practical difficulties in making the move.

The main factor, which has slowed down the change has been the need to move accounting ledgers onto Xero. Successor accountants require three years history in a consistent format to ensure accuracy and efficiency.

The other important factor was our size has enabled us to benefit from the Charity exemption for an annual Audit to an annual Assurance, which not only saves costs but also enables us to have a greater range of firms available to us.

The Board recommends that we Appoint **Inspired Accountants Limited** for the Annual Assurance for the BPA for the financial year 31st December 2025.
