

Membership Overview

Pedigree Pig Breeder / Pedigree Pork Producer Memberships

Annual memberships are based on the number of breeding females (sows) in your herd. Each subscription includes:

- Free birth notes
- A set number of free herdbook registrations (varies by herd size)
- All setup fees, including herd prefix registration in the first year
- Payment by Direct Debit only

Additional registrations beyond those included in your package, including those required for sales or herd expansion, may incur extra charges.
